

Curriculum Vitae

First name: HAMIDREZA

Last name: JABBARDARJANI

Father's name: NASER

Date of Birth: 1953

Place of Birth: TEHRAN-IRAN

Work address: Trachea Disease Research Center, National Research Institute of Tuberculosis and Lung Diseases, Massih Daneshvari Hospital, Shaheed Beheshti University of Medical Sciences.

Phone number:

Hospital: 0098 21 20105050

Home: 0098 21 22297916

Office: 0098 21 88883096- 88874668

- Department of internal medicine, Head of Interventional Pulmonology Unit, Member of Tracheal Disease Research Center, NRITLD
- Faculty member, associated professor.
- Position: Member of the clinical research group, Interventional Pulmonology
- Acquainted with English, Farsi

Credentials:

- Doctoral degree in medicine, 1979, Isfahan University of Medical Sciences, Isfahan, Iran

- Specialty degree in internal medicine, 1990, Iran University of Medical Sciences, Tehran, Iran
- Subspecialty degree in pulmonology, 1994, Shaheed Beheshti University of Medical Sciences, Tehran, Iran

Membership in associations:

- 1- Member of American Thoracic Society (ATS)
- 2- Member of +European Respiratory Society (ERS)
- 3- Member of Iranian Respiratory Society (IRS)
- 4- Member of the Education Development Center (EDC) of Shaheed Beheshti University
- 5- Head of Teacher Training Center (TTC) of Shaheed Beheshti University
- 6- Member of the mortality committee of Massih Daneshvari Hospital, National Research Institute of Tuberculosis and Lung Disease (NRITLD)
- 7- Member of Trachea Disease Research Center (TDRC), NRITLD
- 8- Chief of the Interventional Pulmonology Unit of Massih Daneshvari Hospital, TDRC, NRITLD
- 9- Chief of the laser therapy service of Massih Daneshvari Hospital, TDRC, NRITLD

Articles published in national journals:

- 1) Jabbardarjani HR. Radiological pattern of TB in diabetes. Iranian journal of infectious diseases and tropical medicine
- 2) Jabbardarjani HR, Mansoori SD, Bakhshayesh Karam M, Ghorbani M. Comparative evaluation of 180 diabetic and non- diabetic TB patients hospitalized in NRITLD. Iranian Journal of Infectious Disease and Tropical Medicine, 1998, 8(3), 55
- 3) Jabbardarjani HR, Mirsaiedi M, Farnia P, Mansoori SD, Taghi Zadeh Asl R. Comparative evaluation of the effect of first line anti-tuberculous drugs on mycobacterium Kansasi with other non-tuberculous mycobacteriums. Iranian Journal of infectious diseases and tropical medicine, 20,8,82.

- 4) Jabbardarjani HR, Mirminachi F, Arami S, Abbasi A, Masjedi MR. Treatment of post-intubation tracheal stenosis with Nd-YAG laser. Tanaffos. 2002; 1(1): 36
- 5) Jamaati HR, Khodadad K, Dehnad A, Mir Afsharyeh A, Jabbardarjani HR, Abbasi A, Masjedi MR. Pulmonary Carcinoid tumor. Tanaffos, 2002. 1(2), 51-56.
- 6) Jabbardarjani HR, Mirsaiedi SM, Mir-Afsharieh A, Edrissian M, Haghghi Sh, Dilemma in management of diabetic patients with pulmonary mucormycosis. Tanaffos 2003; 2(7): 69.
- 7) Jabbardarjani HR, Parsa T, Pirzeh A, et al. Idiopathic Subglottic Stenosis in A Pregnant Woman: Successful Treatment with Dilatation and Nd: YAG Laser Ablation. Tannafos. 2007;6(4):58-62
- 8) Halvani A, Jabbardarjani HR. Endobronchial Chondroid Hamartoma. Tanaffos.2007. 6(3):68-70
- 9) Mohammad Taheri Z, Mohammadi F, Karimi SH, Jabbardarjani HR, et al. Fibroptic Bronchoscopy: Correlation of cytology and biopsy result. Tannafos. 2007;6(2):46-50
- 10) Jabbardarjani HR, Kiani A, Arab A. Removal of Impacted Foreign Body by Bronchoscopic Modalities. Tannafos. (2009) 8(4), 60-64
- 11) Jabbardarjani HR, Kiani A, Masjedi MR . . بیماری‌رانی با تشخیص آسم و عدم پاسخ به درمان. Pajuhandeh J. 14(4):179-182
- 12) Jabbardarjani HR, Kiani A, Arab A, et al. Foreign Body Removal Using Bronchoscopy and Argon Plasma Coagulation. Arch Iran Med 2010; 13 (2): 150 – 152
- 13)

Articles published in international journals:

- 1- Jabbardarjani HR , Arami S, Masjedi MR, Dehnad A. Treatment of thyroid cancer invading bronchi with Nd:YAG laser. Iranian Journal of Endocrinology and metabolism 2002, 3,3, 230.
- 2- Jabbardarjani HR, Kharabian SH, Masjedi MR, et al. Endobronchial Chemotherapy in Malignant Airway Lesions of the Lung Report of 3 years Experience. J Bronchology. 2007; 14:242-245.
- 3- Jabbardarjani HR, Kiani A, Karimi SH, et al. Role of Endoscopic Treatment in Patients with Adenoid Cystic Carcinoma. J Bronchol 2007;14:251–254
- 4- Jabbardarjani HR, Radpey B, Kharabian SH, et al. Tracheobronchopatia Osteochondroplastica Presentation of 10 cases and review of the literature. Lung .2008
- 5- Jabbardarjani et al. Central Airway Obstruction Masquerading as Difficult to treat Asthma. A retrospective Study. JOB. January 2009(is accepted and underpublishing)
- 6- Jabbardarjani et al.50 times of Pneumonia in a 14 years Old Boy. JOB. April 2009 (will be published.)
- 7- Jabbardarjani HR, Masjedi MR, Herth F. Non surgical Resectable Carcinoid Tumor-Successfully Treated by Argon Plasma Coagulation.. JOB. 2009(will be published)
- 8- Jabbardarjani HR, Kiani A, Arab A. Foreign Body Removal Including Bronchoscopy and APC. AIMS.2009.
- 9-Jabbardarjani et al. Cicumferencial calcified tracheal Stenosis. Bronchol Intervent Pulmonol _ Volume 16, Number 4, October 2009
- 10-Hamidreza Jabbardarjani, MD,* Alireza Eslaminejad, et al. The Effect of Cup Versus Alligator Forceps on the Results of Transbronchial Lung Biopsy. J Bronchol Intervent Pulmonol _ Volume 17, Number 2, April 2010

Articles submitted for publish:

- 1) Palliative Treatment of Endobronchial Metastasis of Colorectal Cancer by Argon Plasma Coagulation
- 2) Effectiveness of Topical mitomycin C in tracheal stenosis after dilatation

3) Balloon Bronchoplasty

Articles presented in national congresses:

- 1) Masjedi MR, Jabbardarjani HR, Kiani Amin F, Mohebbian M, Velayati AA. Differentiation of tuberculous pleural effusion from ADA, 5th congress of the society of Iranian specialists. 1994.
- 2) Jabbardarjani HR. Diabetes and tuberculosis: comparison of 128 patients. 3rd international congress on endocrine glands metabolism, 1995.
- 3) Jabbardarjani HR. Prevalence of non-tuberculous mycobacterium and its clinical symptoms. The annual tuberculosis congress, Hamedan, 1996.
- 4) Jabbardarjani HR, Masjedi MR, Tabatabaie SA, Golkari H. Use of Nd-YAG laser for extraction of foreign bodies from the lungs. The 23rd regional congress of international union against tuberculosis, 1997.
- 5) Jabbardarjani HR. Gachkar L, Zoghi F. Evaluation of bronchoscopic findings in suspected TB patients. The 23rd regional congress of international union against tuberculosis, 1997.
- 6) Jabbardarjani HR. Use of Nd:YAG laser in 32 patients with tracheal stenosis (1994-1999) congress of the society of Iranian specialists, 1999.
- 7) Jabbardarjani HR. Report of 180 cases of laser therapy, 3rd congress on tuberculosis and pulmonary diseases, Isfahan 1997.
- 8) Jabbardarjani HR, Mansoori SD, Bakhshayesh Karam M, Pakzad Sadigh H, Ghahramani M. Comparative evaluation of 180 TB and diabetic cases in NRITLD. The 23rd regional congress of international union against tuberculosis and pulmonary diseases concomitant with the 13th annual conference of the country. Tehran, April-1997.
- 9) Jabbardarjani HR. Sleep disorders. Spring 2005, Rasoul Akram Hospital
- 10) Jabbardarjani HR. Quick/ prompt procedures for detection of lung cancer. The center for special diseases. Tehran, February 2006.
- 11) Jabbardarjani HR. Role of Nd:YAG laser in treatment of airway lesions. Internal medicine congress. April 2007.
- 12) Jabbardarjani HR. Role of Photodynamic Therapy in Lung Diseases, February 2008

- 13) Jabbardarjani HR. Role of Endoscopic Treatment in Patients with Adenoid Cystic Carcinoma , Internal Medicine Congress June 2009
- 14) Jabbardarjani HR, Endobronchial Chemotherapy in Malignant Airway Lesions of the Lung Report of 3 years Experience , Internal Medicine Congress June 2008
- 15) Jabbardarjani HR, Tracheobronchopatia Osteochondroplastica, Internal Medicine Congress June 2009
- 16) Jabbardarjani HR, Head of Interventional Pulmonology Pannel in 2009 Iranian Respiratory Diseases Congress.
- 17) Jabbardarjani HR, Central Airway Obstruction Masquerading as difficult to Treat Asthma. Asthma And Allergy Congress, 2009.Tehran

Articles presented in international congresses:

- 1) Jabbardarjani HR. Use of Nd:YAG laser. Poster presentation in ERS congress
- 2) Jabbardarjani HR. Use of endobronchial chemotherapy in treatment of malignant pulmonary lesions. April 2007, Syria-Damascus. (Oral presentation)
- 3) Jabbardarjani HR. Use of Nd:YAG laser in treatment of benign and malignant pulmonary diseases. Two poster presentations. IUATLD congress. March 2007.
- 4) Jabbardarjani HR. Use of endobronchial chemotherapy in treatment of malignant pulmonary lesions. IUATLD congress. March 2007.
- 5) Jabbardarjani HR, Endobronchial Chemotherapy in Malignant Airway Lesions of the Lung , STS March 2008
- 6) Jabbardarjani HR. Role of Endoscopic Treatment in Patients with Adenoid Cystic Carcinoma, STS March 2008
- 7) Jabbardarjani HR. Use of endobronchial chemotherapy in treatment of malignant pulmonary lesions. Poster presentation CHEST 2007
- 8) Jabbardarjani HR. Use of Nd:YAG laser. Poster presentation in CHEST 2007
- 9) Jabbardarjani HR, Tracheobronchopatia Osteochondroplastica, ERS 2009

Publications:

- 1) Jabbardarjani Hr. Pediatrics: Bronchoscopy and laser in children
- 2) Abbasi A, Jabbardarjani HR. Laser therapy in tracheal stenosis, 2003
- 3) Jabbardarjani HR. Booklet for general practitioners/ physicians, 2003.

Under Authority

- 1- Bronchoscopy
- 2- Interventional Pulmonology
- 3- Sleep Disorders in Pulmonary Disease

Research projects:

- 1) Jabbardarjani HR. Epidemiologic evaluation of the prevalence of clinical correlation between MOTT and non-tuberculous mycobacterium in patients presenting to NRITLD. Date of initiation: October 1995. Date of Completion: 1996.
- 2) Jabbardarjani HR. Assessment of ANCA in Sarcoidosis and tuberculosis patients.
- 3) Gatchkar L, Jabbardarjani HR, Zoghi F. Evaluation of the bronchoscopy results in smear- negative suspected TB patients presenting to Masih Daneshvari Hospital in 1995. Date of initiation: Winter 1996.
- 4) Jabbardarjani HR. Use of low-grade laser in treatment of asthmatic patients. 2003.
- 5) Jabbardarjani HR. Use of low grade laser against mycobacterium tuberculosis, 2003.
- 6) Jabbardarjani HR, Masjedi MR. Evaluation of the effect of low-grade laser on treatment of asthmatic patients: A pilot study, 2003.
- 7) Jabbardarjani HR, Kiani A. Evaluation of Topical Mitomycin C placement in treatment of patients with tracheal stenosis after prolonged intubation.
- 8) Comparative Evaluation of TBLB by Cup against Aligator Forceps
- 9) Flexible Bronchoscopy Satisfaction in the Interventional Pulmonology Ward of
Massih Daneshvari Hospital

Thesis

- 1) Comparative evaluation of tuberculosis in 180 diabetic patients, 1997. Supervising professor: Jabbardarjani HR.
- 2) Etiology of pleural effusion in patients hospitalized in Masih Daneshvari Hospital. Supervising professor: Jabbardarjani HR.
- 3) Bronchoscopy results in suspected TB patients presenting to Masih Daneshvari Hospital, 1995.
- 4) Assessment of foreign bodies in the lung and use of fiber-optic bronchoscopy for their extraction (1992-1996).
- 5) Evaluation of asthma and antibiotic therapy in patients hospitalized in Masih Daneshvari Hospital, 1995. Supervising professor: Jabbardarjani HR
- 6) Assessment of the complications of bronchoscopy in 100 patients, 1996.
- 7) Evaluation of the treatment of post-intubation tracheal stenosis in 32 cases.
- 8) Results of laser therapy in pulmonary diseases.

- 9) Evaluation of Topical Mitomycin C placement in treatment of patients with tracheal stenosis after prolonged intubation.

- 10) Effectiveness of Cup versus Alligator Forceps in Results of TBLB.
- 11) Effectiveness of Trans Bronchial Needle Aspiration (TBNA) in Mediastinal Lymphadenopathy.
- 12) Hot Biopsy Usage for Sampling of Malignant Endobronchial Lesions.
- 13) Cryo Biopsy Usage for Sampling of Malignant Endobronchial Lesions

Workshops:

Interventional Pulmonology Workshop in association with Heidelberg University Professor(Felix Herth MD) 2008

Interventional Pulmomnology Workshop in Iranian Respiratory Disease Congress, 2009
